Kristalin classic

SANITARY AND SURFACE CLEANER

Performance

- **Kristalin classic** is a powerful sanitary cleaner and all purpose cleaner for water and acid resistant surfaces
- Removes limescale, soap, skinfat as well as general soil and dries without streaks

Efficiency

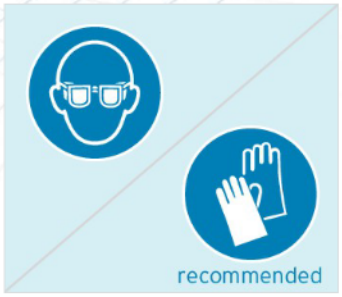
- Super-concentrated product provides effective cleaning and deliming at low use concentrations
- Regular use avoids lime build-up without leaving streaks after drying
- Provides residual pleasant fragrance and leaves a shiny finish

Safety

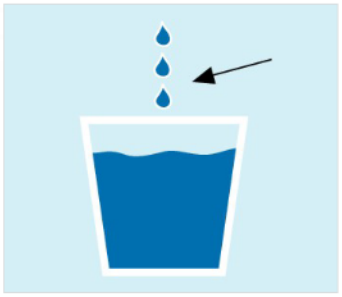
- Very material friendly, also useable on acid sensitive surfaces like marble

Use instructions

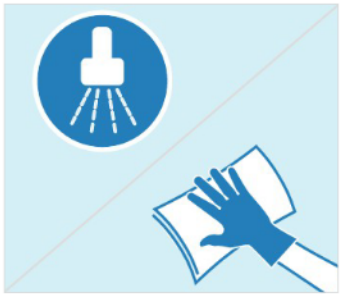
1. Check hygiene plan and product label for detailed use information.



2. Wear suitable protective clothing when handling the product.

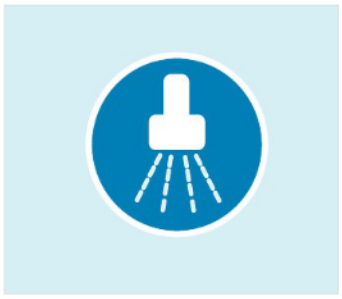


3. 3 Dilute 20 - 200 ml of **Kristalin classic** in 10 l of water depending on the level of soiling.



4. Wipe surface intended to be cleaned and rinse with clean water.

5. For floors use double castor bucket, dilute 200 ml in 10 l. Wipe the floor with a clean mop.



6. If required rinse with clean water or wipe with a clean mop.

Special notes

- Test material compatibility in a small inconspicuous area prior to application.
- For floor cleaning, position warning signs "Attention wet floor" and leave in place until surface is totally dry.
- pH Value (conc): 10.7 - 11.3
- For professional use only.

Safety information

- Do not mix with any other product.
- For further information and safety instructions, please see product label and Safety Data Sheet.

Storage conditions

- Store between -5 °C and 40 °C in original closed container only.
