SMARTPOWER™ Mini Detergent & Rinse

Performance

- Experience the best-in-class undercounter cleaning results with the professional SMARTPOWER™ Program
- Outstanding cleaning performance and stain removal
- Active defoaming agents

Efficiency

- For use in soft to medium hard water conditions, compatible with common dishwashing materials (china, glass, stainless steel, etc.)
- The 2-in-1 concentrated tablets minimise storage space and optimise cost in use
- Simple and easy to use, one case of 24 tablets delivers up to 1200 wash cycles

Safety

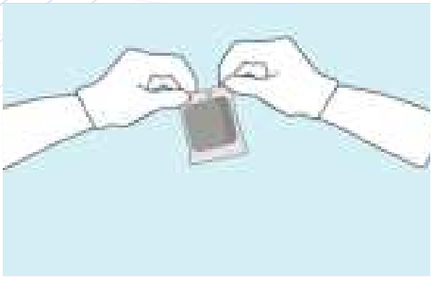
- Lightweight tablets are safe and easy to store, carry and load/refill No chemistry mix-up due to separate liquid detergent and rinse.
- Up to 71% reduction of lifted weight, minimising body strain
- Unique, passive dosing system inside the machine reduces spillage and slip hazards
- No need for concentrated liquid chemistry to run the dishwasher

Sustainability

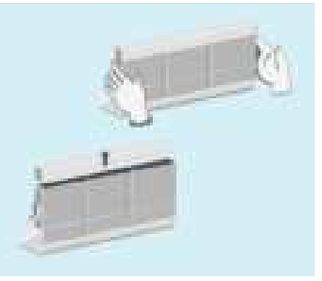
- Up to 93% less packaging compared to standard dishwashing systems
- NTA-, EDTA-, chlorine-, phosphate- and phosphonate-free formula guarantees a high ecological standard
- Over 70% reduction of CO emissions associated with transportation compared to standard liquid dishwashing detergents

Use instructions

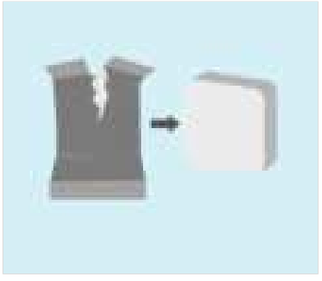
1. Check hygiene plan and product label for detailed use information.



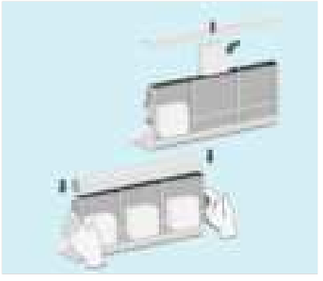
2. Take one tablet and open the plastic foil.



3. Open lid of dispenser on both sides.

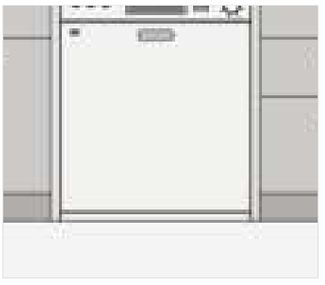


4. Remove foil from tablet.



5. Insert 3 tablets to dispenser and close the lid on both sides.

6. Place dispenser into holder.



7. Let the machine run in the long program once, then always wash in short program.

Special notes

- Always remove the SMARTPOWER™ Mini dispenser from the dishmachine before descaling.
- Only for use with Ecolab SMARTPOWER™ Mini dispenser. Your Ecolab specialist will adjust the dosing system to your specific cleaning needs.
- **For professional use only.**

Safety information

- Do not mix with any other product.
- For further information and safety instructions, please see product label and Safety Data Sheet.

Storage conditions

- Store between 0 °C and 40 °C in original closed container only.
