CE The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products, and medical devices.

The glass-fork-symbol guarantees that products live up to the demands stated in the European legislation for food contact materials. The symbol is not mandatory but advised on products used for food contact.

CAT I CAT I PPE is only for products with minimal risk.

LATEX The product does not contain latex.

The glove has a smooth surface.

LOW GRIP The glove has a low grip.
