Aquanomic Solid Oxy

Concentrated solid oxygen bleach and destainer

Perfect Linen
AQUANOMIC
Safe & Simple

EU Ecolabel
DE/039/018

Performance

- High performing - delivers premium colour safe destaining

Efficiency

- Application temperature 60-90°C
- **Aquanomic Solid Oxy** can be used for all bleachable textiles (check care symbols and instructions on textiles before use, not suited for silk, wool, lycra)
- Aquanomic helps improve the operational efficiency of your laundry

Safety

- Safe & simple - small, light weight, shrink wrapped packaging
- Reduced exposure to chemicals
- Easy storage, handling and loading
- Do not combine with chlorine bleach, as it can cause hazardous vapours

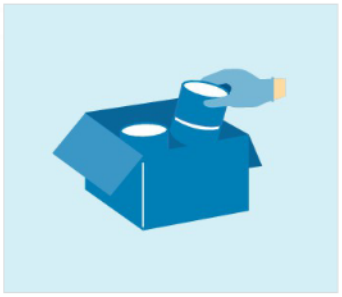
Sustainability

- Environmentally friendly - highly concentrated, phosphate-free formula
- More than 70 % less plastic waste
- EU Flower certified

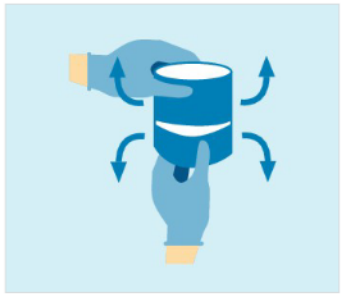
Use instructions

1. Check hygiene plan and product label for detailed use information.

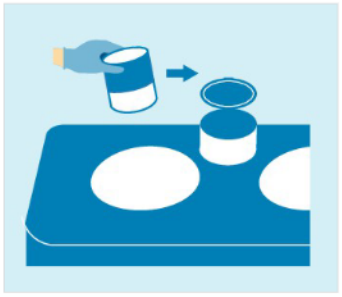
2. Wear suitable protective clothing when handling the product.



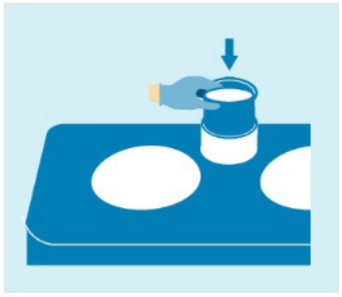
3. Take a new product from the box.



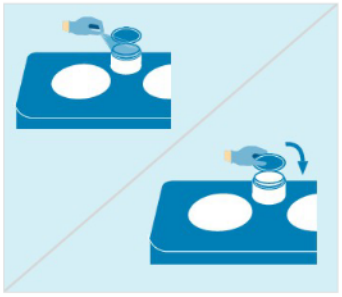
4. Remove the bottom part of the packaging film.



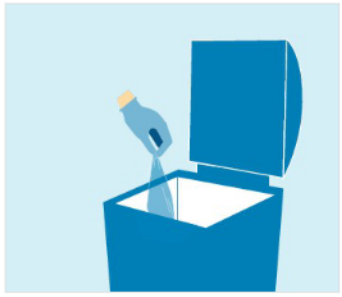
5. Make sure, the packaging-free part of the block faces down.



6. Insert the block into the product hopper.



7. Take the upper part of the packaging off and close the lid.



8. Dispose of packaging.

Special notes

- **Aquanomic Solid Oxy** is designed for automatic dosing and is used on the Aquanomic Solid Dispenser.
- Your Ecolab specialist will install and adjust the Aquanomic Solid Laundry System to your washing needs for optimum results.
- Check fabric type and care symbols of the textiles before use.
- Keep out of reach of children.
  For professional use only.

Environmental advice

- Only a small quantity of the product is needed compared to usual products.
- Proper dosage saves costs and minimizes environmental impact.

Safety information

- Do not mix with any other product.
- For further information and safety instructions, please see the product label and Safety Data Sheet.

Storage conditions

- Store between 0 °C and 40 °C in the original closed container only.
