Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

The glass-fork-symbol guarantees that products live up to the demands stated in the European legislation for food contact materials. The symbol is not mandatory but advised on products used for food contact.

605801

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions, and public organizations. The purpose is to make it easier for the public sector to buy environmentally friendly products.
