

Product Main Number 221432

Post-OP dressing, ABENA, 10x15cm, white, latex-free, sterile, single use

- ✓ Absorbent and breathable bandage
- ✓ Soft and flexible, conforms to the body
- ✓ Adhesive is rosin free

MD CE

Product Description

ABENA Post-OP dressing is made with a soft nonwoven backing with a skin-friendly acrylic adhesive. The soft polyester wound pad is absorbent and does not adhere to the wound. The dressing is soft and moulds to the contours of the body. The nonwoven backing allows the skin to breathe through the dressing. Use as a primary dressing for dry to slightly exuding wounds, such as cuts, abrasions, and for protection over sutured wounds.
