UZ 964

Ideal for stairs, tight spaces and overhead cleaning

Nilfisk®

Belt up and clean

The Nilfisk UZ 964 commercial vacuum cleaner has a compact design that makes it ideal to use on stairs or in narrow and hard to reach applications, where pulling a conventional vacuum cleaner is difficult. The light-weight and ergonomic machine is comfortable to wear with no back or shoulder strain to the operator.

· Ergonomic design with no strain on shoulders or spine
· Lightweight – only 3.1 kg
· No machine pull or push
· 15 m cable provides wide working radius
· Handy storage of accessories in belt
· EPA12 exhaust filter as standard

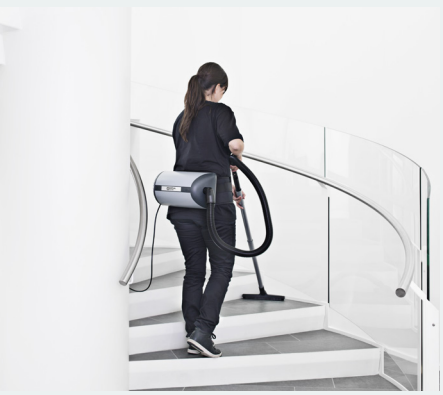

Technical specifications
