StainBlaster Rust Remover

STAIN REMOVER RUST

Laundry pre-spotter with a unique method of application and formula resulting in the efficient removal of metal based stains.

- For use on metal stains such as iron and rust.
- Innovative chemistry and targeted stain - fighting power helps to eliminate the need for rewash and early linen replacement.
- Optimising your total operation and saving costs in key areas.

USE INSTRUCTIONS

1

2

1. Check hygiene plan and product label for detailed use information.
2. Wear suitable protective clothing when handling the product.
3. Check fabric compatibility on a hidden section of the textile.
4. Moisten the area by applying StainBlaster Rust Remover directly onto the stain.
5. Allow StainBlaster Rust Remover 5-10 minutes to soak into the fabric.
6. Wash the textiles.

SPECIAL NOTES

StainBlaster Rust Remover can be used for all textiles made of cotton, polyester/ cotton blends, linen and viscose (not suited for polyester, wool, silk, lycra, acryl, polyamide and sensitive coloured textiles).

pH Value (conc.): 0.5 - 1.5
