Why Buy HFM1515-R

FloorCare

Professional cleaning performance with 150rpm, perfectly designed for scrubbing, deep-cleaning and general floor maintenance. Transmission of power to the floor is seamless via the long-life, low load, oil filled planetary gearbox, resulting in superb handling characteristics and excellent cleaning results.

Fitted as standard with our generous oversize Hurricane 1500W drive motor.

A comprehensive range of accessories is available to cover wet applications, carpet shampooing, vacuum polishing and floor sanding.

Built to Last
Powerful, heavy-duty Hi-Cool 1500W long-life motor.

Performance You Can Trust
Automatic Torque Control (ATC) balances power input.

Powerful Cleaning Results
User-friendly features offers power, convenience and efficiency.

User Comfort
Find the perfect working position with fully adjustable handle.

Ultimate Versitality
A wide range of accessories available for all applications.

Sustainably Engineered
ReFlo Technology uses the highest quality, recycled plastics, ensuring our products are both sustainably engineered and built to last.
The HFM1515-R is made from a minimum 35% recycled content.*

*35% represents the minimum use of recycled plastic, including all accessories.

Optional 10kg Additional Weight

Fully Adjustable Handle

TenTec High Performance Brushes

- Lasts 10x longer than a standard polyscrub brush
- Replaces up to 100 standard red pads
- Improve cleaning results compared to standard brushes
- Reduces the need for chemical additives, lowering cleaning costs

Available for use across the Numatic Scrubber Dryer range

Optional Solution Tank

Optional Hi-Dust Filter

Brushes and Pads Available

NuLoc2 Drive Board

PadLoc Drive Board
