Why Buy CT370

CleanCare

The small, compact CleanTec 370 provides the combination of a powered liquid supply and efficient wet pick-up facility… all incorporated in one unit.

The power head incorporates the high performance TwinFlo bypass motor and the PowerFlo pump system which injects the cleaning solution deep into the carpets in a continuous deep cleaning cycle.

Our tank within a tank design is simple, clean and efficient providing an easy to fill and quick to change system.

All Purpose 4-in-1
Wet, spray extraction for carpets, upholstery and valeting.

Powerful Cleaning Results
Professional, long-life, TwinFlo bypass motor and PowerFlo pump system.

Ready for Anything
Easy to store and always on hand.

Ease of Transit
Ergonomic, easy-carry handle and large rear wheels for stability.

A Tool for Every Job
Professional A40A accessory kit with Stainless Steel tube set.

Kit A40A

Convenient Carry Handle

Fishtail Extraction

Handheld Upholstery and Stair Tool
