Neomax N
NEUTRAL FLOOR CLEANER

Neomax N is a particularly low-foaming daily scrubber dryer cleaner, designed for mechanical surface cleaning. With pH neutral, **Neomax N** is material friendly to all kind of floors and suitable for all kind of scrubber dryers. Through a high cleaning performance, **Neomax N** cleans fast and dries without smears, leaving a pleasant flowery cleanliness signature behind. The **Maxi Quick Fill** dosing and filling station ensures reduction of non-productive times by up to 90 % and guarantees precise product dosage for consistent and cost efficient cleaning results.

Application area: For all water resistant floorings, especially suitable for shiny floors.

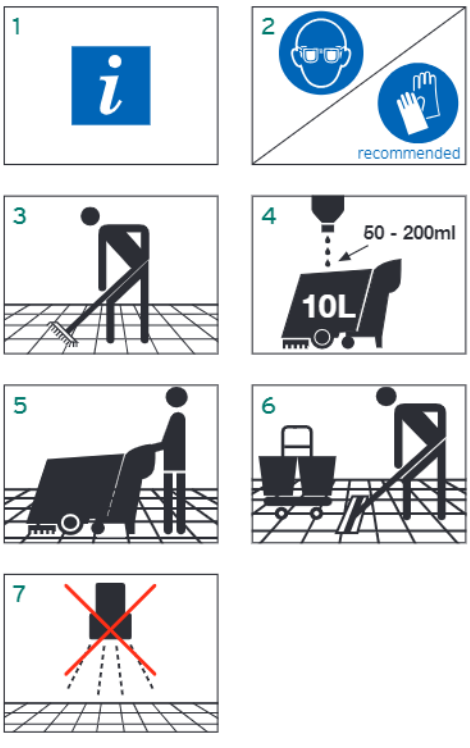

- **Performance:** Through quick-reaction ingredients ensures deep and fast floor cleaning.
- **Efficiency:** **Neomax N** combined with **Maxi Quick Fill** dosing station ensures rapid cleaning of large areas with predictable cleaning costs.
- **Safety:** **Maxi Quick Fill** dispenser ensures no direct contact to the product.

USE INSTRUCTIONS

FOR USE WITH ECOLAB DOSING UNIT

Your Ecolab specialist will adjust the dosing system for your specific cleaning needs.

1 Check hygiene plan and product label for detailed use information.
2 Wear suitable protective clothing when handling the product.
3 Sweep the floor to remove all coarse waste.
4 Fill the scrubber dryer fresh water tank with cleaning solution using the filling hose of **Maxi Quick Fill** dosing station. For daily cleaning, use **Neomax N** 0,5 - 2 % depending on the site specific needs and level of dirt.
5 Use the scrubber dryer to scrub the floor while simultaneously vacuuming the solution.
6 For corners and sides, use **Neomax N** with a double castor bucket and **rasanTEC** mop.
7 No rinsing required.

SPECIAL NOTES

Test material compatibility in a small inconspicuous area prior to application.

Position warning signs "Attention wet floor" and leave in place until surface is totally dry.

The total product is well degradable and/or removable in sewage treatment plants.

pH Value (conc.): 6.5 - 7.4

For professional use only!

SAFETY INFORMATION

Do not mix with any other product.
