ECOLAB

Oasis Pro Multi

Professional Cleaning System

NANO SURFACE MAINTENANCE CLEANER

Multipurpose cleaner with advanced nanotechnology for long lasting cleanliness on all water resistant surfaces such as glass, mirrors, stainless-steel, chrome and copper.

Performance

- High-concentrated products for high-end performance
- Advanced nanotechnology for long-lasting cleanliness

Efficiency

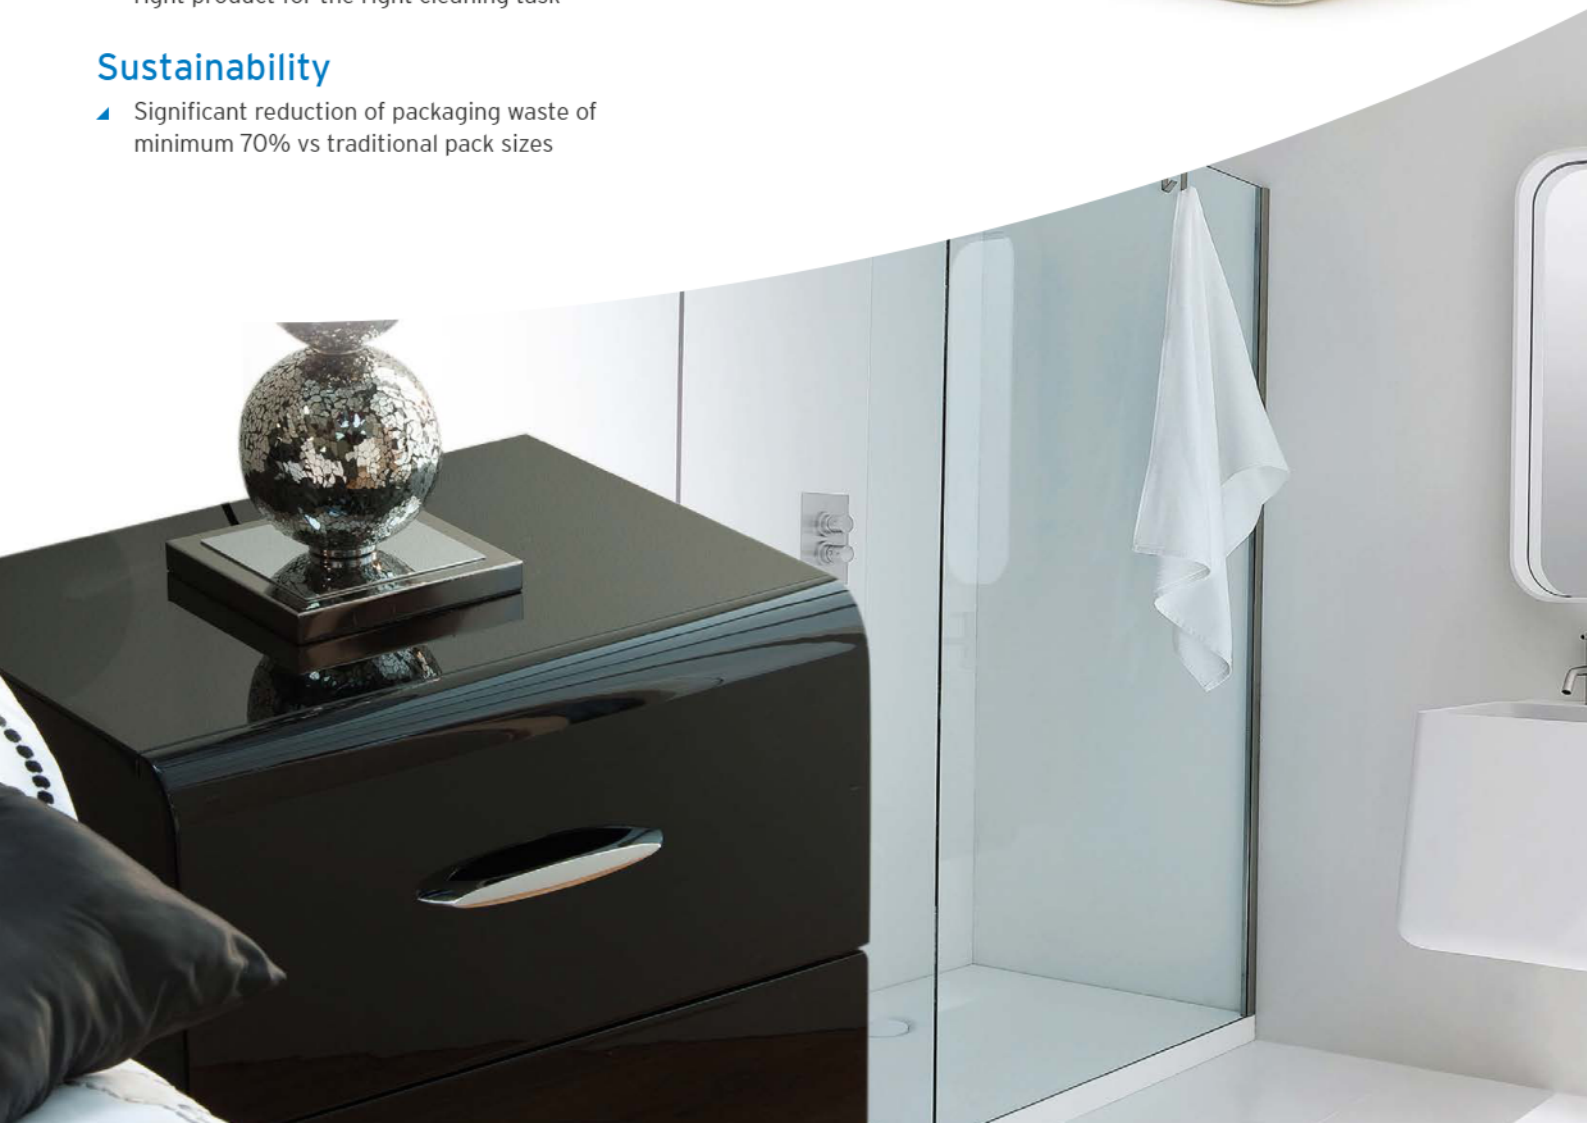

- Leaves a protective film that reduces dirt adhesion (dust) and lime scale build-up
- Due to the protective film, surfaces are easier to clean

Safety

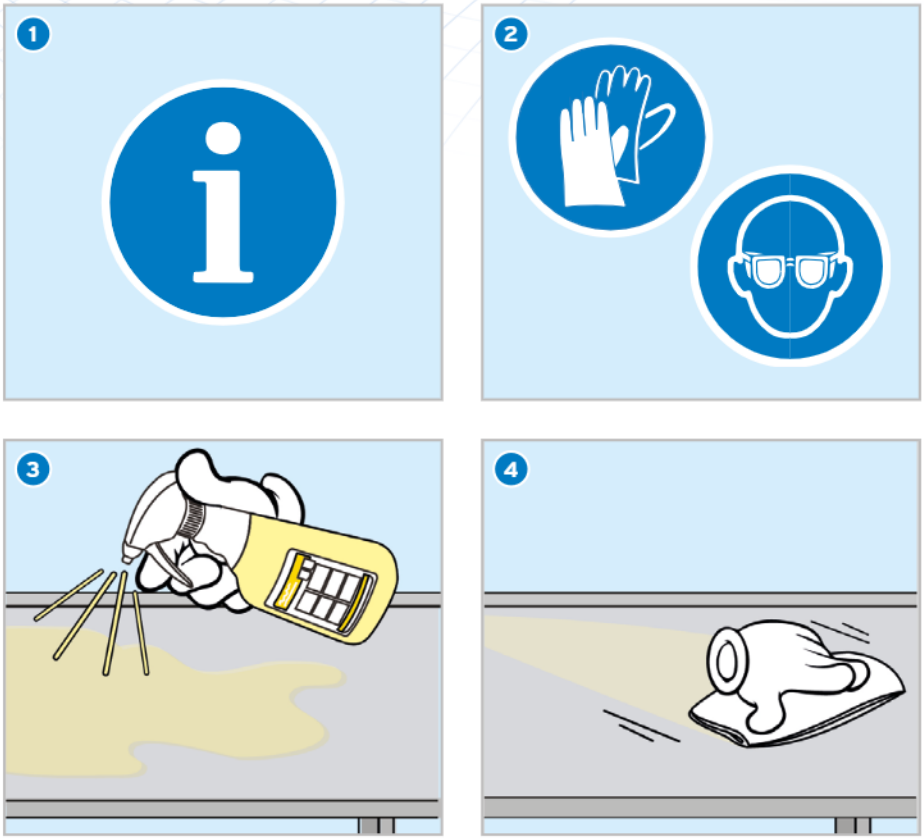

- Colour-coded system to ensure the use of the right product for the right cleaning task

Sustainability

- Significant reduction of packaging waste of minimum 70% vs traditional pack sizes

Use Instructions

1. Check hygiene plan, product label and safety information for detailed use information.
2. Suitable protective clothing recommended when handling the concentrate pouch.
3. Spray **Oasis Pro Multi** by using a foam sprayer directly on surface or cloth.
4. Clean surface and dry with a clean cloth.

RECOMMENDATION

Your Ecolab specialist will install and adjust the dispensing system to your hygiene requirements for optimum results.

Recommended use-concentration: 3 - 4 % depending on soil level and water hardness.

Do not mix with any other product! Wear protective gloves and safety glasses when you exchange the empty pouch with a new one.

SAFETY

For professional use only. For further information and safety instructions see product label and safety data sheet.

STORAGE CONDITIONS

Store between 0 °C to 40 °C in original closed container only.
