ABENA

Item number 6205

Industrial roll, neutral, 2 layers, 360m x 36cm , Ø27cm, blue, cellulose

- ✓ Large capacity saves time
- ✓ Maximum absorbency

Product Description

This Industrial roll is made from Cellulose, ensuring maximum absorbency. The product effectively absorbs both oil and water, and also retains its strength when the paper is wet. The product is suitable for sites looking for top-quality industrial wiping paper.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

The glass-fork-symbol guarantees that products live up to the demands stated in the European legislation for food contact materials. The symbol is not mandatory but advised on products used for food contact.
