MAXX Forte2

ALL-ROUND FLOOR STRIPPER

Performance

- Equally suitable for stripping of linoleum and natural rubber floors, as well as for cleaning of natural and artificial stone floors
- Has a slightly alkaline pH of an all-purpose cleaner
- Excellent material compatibility prevents damage on surfaces

Efficiency

- The special combination of ingredients and its good wetting abilities make MAXX Forte2 the ideal choice for demanding cleaning jobs
- All-purpose use for multiple applications
- Low foaming for manual and machine cleaning

Recommended Customer Areas

- All water and alkali resistant floors. Not suitable for wooden floors, laminate and textile floors.

Use Instruction:

Stripping Coatings:

1. Check hygiene plan for detailed use information.

2. For stripping of coatings dilute MAXX Forte2 1:10 to 1:1, preferably 1:3 with water in a bucket or in the single disc tank. For cleaning of general dirt or for use in scrubber dryers, use 2 - 5 % of MAXX Forte2 in water.

3. Apply the solution on the floor and let work for approx. 10 minutes.

4. Scrub the floor systematically. Do not allow the cleaning solution to dry.

5. Remove the dilution with a wet vacuum cleaner.

6. Rinse thoroughly with clean water and remove solution with a wet vacuum cleaner.

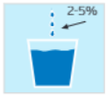

7. Remove remaining water with a Ecolab microfibre mopping systems.

General Cleaning:

1. Check hygiene plan for detailed use information.

2. For cleaning of general dirt or for use in scrubber dryers, use 2 - 5 % of MAXX Forte2 in water.

3. Apply the solution on the floor and let work for approx. 10 minutes.

4. Scrub the floor systematically.

5. Rinse thoroughly with clean water.

SPECIAL NOTES / INFORMATION:

Test material compatibility in a small inconspicuous area before use.

Position warning signs 'Attention wet floor' and leave in place until surface is totally dry.

For professional use only!
