

Item number 1000007835

Scrubbing mop, ABENA Puri-Line Heavy Scrub, grey, microfibre, 30 cm, with Velcro

- ✓ Brushes with scrubbing effect
- ✓ Good for collecting coarse particles
- ✓ Suitable for non-slip floors

Product Description

ABENA's Nordic Eco-labelled microfiber mop has a documented bacterial collection rate of 99.9%. Very effective mop with brushes, which give an extra scrubbing effect and make the mop suitable for washing both hard and uneven floors. At the same time, the brush composition reduces the friction between the floor and mop, which gives you a first-class ergonomic product, while at the same time the floor washing is quickly over and with much less sweat expended. The mop has twisted yarn, so that even coarser particles are easily collected. The mop is effective on non-slip floors, as well as granite, epoxy, rubber and linoleum floors. The mop is resistant to chlorine, alcohol and disinfectants. For more information, also see the test report under other product information in our data sheets.

Specifications

Base name	Scrubbing mop
Brand	ABENA
Sub-brand	Puri-Line Heavy Scrub
Color	Grey
Features	30 cm, with Velcro
Material	Microfibre
Ingredients / Composition	50% microfiber, 50% polyester
Length/depth	32 cm
