# Damp mop, ABENA Puri-Line Micro Brush, grey, microfibre, 40 cm, with Velcro, multiple use

- ✓ 99.9% bacterial collection rate
- ✓ Ideal for hard and non-slip floors
- ✓ Resistant to chlorine, spirits and disinfectants

## Product Description

Nordic Swan Ecolabeled microfiber mop with a documented 99.9% bacterial collection rate. See test report under data sheets – other product information. Microfiber mop with high-performance chenille fiber to lift stubborn grime, especially on hard floors and non-slip surfaces, while the pile in the mop traps the dirt particles. The new chenille is definitively the most powerful cleaning fiber on the market thanks to its new improved pile structure. Unbeatable performance for challenging flooring substrates like rubber, tile and non-slip, and the best choice for periodic and heavy-duty pre-cleaning. The mop is resistant to chlorine, spirits and disinfectants.
